TERMS

3 per cent. discount for full amount in cash with order. No discount on C. O. D. A deposit of one-fourth the amount required from strangers having no commercial rating, as a guarantee of good faith. Remittances should be made in N. Y. or Chicago exchange, postal money order

or express cheque. Personal cheques must be certified. Goods will be shipped on 30 days' time and 2 per cent. discount allowed if paid within 10 days from date of shipment to all persons having a good commercial rating in either Dun's or Bradstreet's Commercial Directory.

HOW TO ORDER

Send small pictures by *express and prepay charges*. You can send 24 ounces for 10 cents by asking for special rates on photographs and *prepaying* charges—one cent for each additional two ounces. You can thus hold the express company responsible in case of loss. You have no redress if lost in the mail. In case you send by mail, be certain to put sufficient postage—letter postage two cents for every

half ounce. Don't overlook this. Divide the orders as you want them to come and put full written instructions with each package. Don't send instructions by mail, separate from package. Keep instructions with the order it is intended for; then we can not make mistakes. Give railroad or express company you want shipped by, also county.

SHIPPING INSTRUCTIONS

In all cases, whether C. O. D. or released, we ship goods in our own name. We do this with a view of securing the lowest freight rate possible.

In case the goods go released we indorse the *Bill of Lading* to you and inclose it with your invoice.

In calling for your freight inquire in *our name* and present bill of lading, and it will be promptly delivered

to you.

In C. O. D. shipments the same rule will apply, except that the bill of lading will go to the bank for collection. Remember this, and do not ask for goods in your own name. This rule will not apply to mail or express matter. Bills of lading will not be sent to postmasters for collection.

BOXING AND CARTAGE FREE

On all orders amounting to \$10.00 and over. Less than \$10.00, a charge of 35 cents will be made for box-

On all express matter a uniform charge of 10 cents will be made for wrapping.

NOTE

All the veneer frames shown in our catalogue are the genuine 3-ply oak (not fibre or paste-board, but wood 3-ply), which makes a light yet strong frame.

Being in close touch with the lumber mills enables us to produce this class of frames and finish them in a first-class manner, with full gold burnished ornaments, at about the usual price charged for the fibre or pasteboard article.

The large re-orders we are receiving leads us to believe that the trade fully appreciates a really good article when it can be procured at the right price.
